GETO SUPREME CREAM

Géto Suprême The Cream, is the new revolutionary global anti-aging solution presented by the Cinq Mondes Laboratories for ultimate cell regeneration. This miraculous cream contains all the exceptional properties of Organic Géto, the secret of youth of Okinawa centenarians.

The miraculous plant in this global anti-aging cream helps prevent and correct all signs of aging. It has the rare ability to act equally well as a prevention for wrinkles at age 30 or as a correction for more mature skin.

Naturally lifted, skin regains firmness, density and elasticity in the long run. Wrinkles are smoothed, the facial oval is firmer and the skin is hydrated deeply hydrated and radiant.

Its innovative serum in a cream texture allows a 2 in 1 action: the serum heart immediately penetrates the skin, reactivating the youth mechanisms and the cream forms a non greasy film for intense comfort and a velvety finish.

PRE-PRO BIOTIQUE ESSENCE LOTION

[Pre+Pro]biotic Essence - a cosmetic water imbued with a [Pre+Pro]biotic Complex formula that boosts the skin's defenses by multiplying and diversifying good bacteria - is a new innovation for truly healthier skin.

After extensive research, our scientists have been able to highlight the similarity between but microbiotics and skin microbiotics. This ecosystem of micro-organisms needs to be nourished and balanced in order to function properly: protecting, hydrating, boosting the skin's defensive mechanisms and preventing ageing. The concentrated active ingredients in this Water-based-Serum help optimize and stimulate the everyday activity of your skin microbiotics, protecting it from external damage (weather, lifestyle, excessive washing, etc.).

THE STORY OF CINQ MONDES

Through its treatments and products, Cinq Mondes offers deep regeneration of body and mind to recreate a state of perfect balance even inside our skin cells for Happy skin, from the inside out!

FASCINATED BY TRADITIONAL MEDICINES AND COSMETICS

Cinq Mondes began 15 years ago after we traveled around the world for one and a half years to learn about the best Wellness and Beauty Rituals from the World's 5 major regions with exceptional, time-honored Beauty traditions: India, China, Japan, Siam (Bali, Laos, Cambodia) and Morocco. All have very ancient rituals that are still practiced today based on treatments and products from living knowledge transmitted and taught in cultures today.

HIGH-LEVEL SCIENTIFIC PARTNERSHIPS

with 5 doctors, including Dr Gensham Marda PhD, Ayurvedic doctor, and Dr Li Hao, Master of Chi Gong.

These partnerships enabled the development of DERMAPUNCTURE, exceptional needle-free acupuncture that stimulates vital energies, and also to offer truly natural Face lifting with the Japanese technique of KOBIDO.

AFTER RETURNING TO PARIS

Jean-Louis Poiroux opened his first Spa focused on the World's traditional medicines in the heart of Paris' Triangle d'Or, in Square de l'Opéra Louis-Jouvet. The Press was immediately enthusiastic and more than 1,000 articles about CINQ MONDES were published in just one year.

"Our visibility and unique originality drew the attention of directors in the luxury hotel sector. They quickly wanted to take up a franchise and equip their hotels with a Cinq Mondes Spa, for which we designed the architecture, treatment menu, training programs, etc.", recalls Jean-Louis.

TODAY, CINQ MONDES HAS CONVINCED
OVER 1,000 SPAS IN 36 COUNTRIES
TO WORK WITH THE BRAND. CINQ MONDES IS PARTNER TO SOME
