ABOUT RED CHERRY EYELASHES

False eyelashes have become a main stay in the fashion world. Making a statement no longer just resonates with the most coveted wardrobe piece or latest hair trend, rather wearing flawless makeup is complementary to a fashion-chic entrance worth remembering. At Red Cherry Lashes, style starts by commanding a room with a confident gaze and drawing allure just by the flutter of perfected lashes.

With already a celebrity and cult following, makeup artists and fans alike are impressed with an extensive selection of 100% hand-crafted human hair lash styles Red Cherry has to offer. Even the handful synthetic styles they carry, fans can only rave on how lightweight and comfortable these accents are when worn. Since its inception, quality has been a top priority for the company and their dedication to keep its standards high has helped skyrocket this brand to the top of many makeup artists lists of must-haves. With its continued growth of popularity, Red Cherry is aimed to evoke all styles from classic, retro-chic to the current high fashion glamour rocking the runways.

Whether it's a natural and subtle look to a bold, sultry and refined style, Red Cherry Lashes has it all. Make a fierce impression and get into the #redcherryrevolution.
