Hair care and beauty contributes to happiness

Health, art, expression, identity... Our hair is unique and defines us. This is why in Termix we have been dedicated to professional hair care and beauty for more than three decades, becoming an innovative brand and world leader in professional hairdressing tools manufacturing. A passion that reaffirms a new way of understanding hairdressing, where the main experience is to help improve and take care of the style that defines and represents us.

Hair care and beauty enables all individuals to promote self-confidence and express themselves, thus contributing to their happiness.

Providing the best tools with the newest technology, as well as designing tools for every hair type, still is our source of inspiration and creativity.

Termix Evolution Plus Hairbrush

the 7 most required diameters Ø12, Ø17, Ø23, Ø28, Ø37, Ø43, Ø60 for thick Hairbrush designed with special high-performance ionized bristles for thick and difficult-to-manage hair.

The Termix Evolution Plus hairbrush is the only brush that helps control and shape this type of hair, thanks to the density of its ionized nylon fibers. Its rigid fibers are able to shape this tough hair type swiftly and with ease.

**IRON SLIM
PROFESIONAL
COFFER**

Termix's most compact, light and easy to handle professional styling iron. Designed for all hairstyles - working on both dry and wet hair - with maximum comfort, it prevents wrist harm usually due to the weight. With an innovative approach to styling, it includes the latest technological advances, such as our Integrated Ceramic Heating System (ICHS), an instant heat recovery system that eliminates

**PADDLE BRUSH TERMIX PROF.
WILD FOREST-SINGLE**

This Wild forest termix paddle brushes are designed to effortlessly untangle wet or dry hair and protect the scalp from any damage thanks to its air-cushioned head. Its rounded prongs work their magic to offer a gently scalp massage for a much faster and healthier hair growth and a more comfortable brushing, while it is also heat-resistant so can be used when blow-drying.

**RIZADOR TERMIX
EVOLUTION CURLING
WAND**

The first Termix hair curling iron allows the temperature to be controlled from 110°C to 210° C in five stages using the touch slider. This way, we can get well-defined and lasting curls that are tailored to every type of hair, keeping it healthy. Barrel with ceramic coating: The coating of the curling iron's cone allows the temperature to be spread evenly for a perfect style.
