

NAILBERRY

L'oxygéné - Breathable Nail Polish

L'Oxygéné is Nailberry's multi-award winning, luxury nail polish range.

L'Oxygéné uses patented technology to deliver a healthier manicure with no compromise on colour vivacity, shine or longevity – something we're especially proud of.

We exclusively apply patented technology to deliver breathable, oxygenated and water permeable polishes.

Every Long Wear & High Shine colour rich shade has been formulated to be 12 free, vegan, cruelty free, gluten free and Halal certified.

Our Formulas

Doing things differently... the Nailberry way

Since 2012, we've been raising the bar in nail care. Tried, tested and trusted throughout the world, our luxurious toxin-free nail polishes are considerate of your nails' future health, the environment and the diverse cultures that enrich our society.

Nailberry was never going to be another conventional nail formula. We exclusively apply patented technology to deliver breathable, oxygenated and water permeable polishes with absolutely no compromise on colour vivacity, shine or longevity – something we're especially proud of.

Our formulas are also certified:

- Cruelty free
- Gluten free
- Halal
- Vegan
- 12-free
- Feel good, look great and colour your nails healthy!

What is '12-free'?

From day one, we set out to deliver a healthier manicure and therefore actively avoided each and every one of the below ingredients:

- Phthalates, including DBP
- Toluene
- Formaldehyde
- Formaldehyde Resin
- Camphor
- Xylene
- Ethyl Tosylamide
- Triphenyl Phosphate
- Alcohol
- Parabens
- Animal Derivatives
- Gluten
